Dear Ms. Best,

The Colorado State Patrol (CSP) has received your Colorado Open Records Act (CORA) request June 29, 2020; seeking to obtain;

- 1) Documents mentioning, describing or generated in response to the BlueLeaks release, the preceding hack or subsequent fallout, including but not limited to:
 - a. Damage assessments
 - b. Emails
 - c. Interagency communications (local, state or federal)
 - d. Communications with the press about BlueLeaks
 - e. Communications with Twitter or other social medias or sharing platform
- 2) Documents mentioning or describing Distributed Denial of Secrets (DDOSecrets)

Due to the nature and extent of your request, the CSP requests and extension of time to respond to your request. Under provisions of C.R.S. §24-72-203(3)(b), the CSP would like the full 10 day period allowed by law, including the Fourth of July Holiday will be July 14, 2020.

Your patience is greatly appreciated regarding this matter. If you have any questions or concerns, please let me know.

Sincerely,
